

The Green

TARRAGINDI

Find a home with heart

Find your home in the heart of Tarragindi

Nestled within the suburban forest and tree-lined neighbourhood of Tarragindi, our new community will be where urban retirement living meets open skies and subtropical landscapes.

Coming soon, our new community will also adjoin a new bowls club and championship quality bowling green open to the public that will be delivered under a partnership between RetireAustralia and the Yeronga Services and Community Club (YSCC).

Brisbane's most beautiful suburban backyard

Outdoor entertainment will be a hallmark of our Tarragindi community, with 70% of the site dedicated to open space. It will include a landscaped recreational parkland with a children's playground, common lawn and productive garden.

With 94 independent living apartments, underground parking and 11 different apartment types, our new community is designed to help you rest easy, live beautifully and age well.

RetireAustralia are pleased to announce that The Green Tarragindi is coming soon and we are now taking expressions of interest. To find out more about this unique new retirement community in the heart of Tarragindi register your interest at tarragindigreen.com.au
