Enter your new sunlit home. The two and three bedroom units are generously sized and offer a comfortable transition to low-maintenance living. Every unit has been tastefully designed in a neutral colour palette, carefully planned to optimise space and light, and thoughtfully constructed to ensure your safety and security.

Unit features include:

- Light-filled kitchen with caesarstone bench-tops, dishwasher and quality fittings
- Open-plan living and dining room, perfect for entertaining friends and family
- Two bathrooms with ensuite to the main bedroom.

The first time we saw Providence Village we loved it and we still love it.

Enjoy more time for you and live with convenience.

Providence Village is a safe, close-knit community.

Located north west of Melbourne, Bacchus Marsh is a family-friendly, vibrant and well-connected neighbourhood only a 50 minute drive from the CBD.

It's close to Bacchus Marsh train station and bus stops. Plus, you've got easy access to local amenities. There's more for everyone with local community, leisure, health and religious services only a short distance away.

Your wellbeing and security is important to us, so your new home is designed to make you feel safe, comfortable and at ease. Personal alarms are installed in each home for extra security and with no steps your home is accessible through all stages of your life. We've even got a manager onsite Monday to Friday, to help you out when you need.

There is also no stamp duty!

Live your best life every day... welcome to Providence.

Get to know your community

If there's one thing to know about Providence, it's that the people look out for each other!

While there's lots of opportunities to meet your neighbours, you can choose to be involved as much or as little as your like.

Enjoy an active, fun-loving and vibrant community of like-minded people, or if you prefer your own company, there are many opportunities to jump in and out of what's going on around you.

With less maintenance required on your new home, you can forget mowing the lawn and start with spending more time with friends and family. Or maybe start planning that long-awaited dream holiday. Knowing your home is safe and secure, there's nothing left to do except lock up and leave!

“It's a small enough community in that you know everybody. But it's private enough that you're not living in another person's pockets.”

Whether you're after an active or peaceful lifestyle, we've got you covered.

The Community Centre is the hub for all village activity.
