## Get to know your community

If there's one thing to know about country living, it's that the people look out for each other!

While there's lots of opportunities to meet your neighbours, you can choose to be involved as much or as little as your like.

Enjoy an active, fun-loving and vibrant community of like-minded people, or if you prefer your own company, there are many opportunities to jump in and out of what's going on around you.

With less maintenance required on your new home, you can forget mowing the lawn and start with spending more time with friends and family. Or maybe start planning that long-awaited dream holiday. Knowing your home is safe and secure, there's nothing left to do except lock up and leave!

**“It's a small enough community that you know everybody, but it's private enough that you're not living in another person's pockets.”**

## Whether you're after an active or peaceful lifestyle, we've got you covered.

At McAuley Village you can enjoy a lifestyle that suits you. You can experience a vibrant or peaceful lifestyle to keep you engaged with your community.

Deciding to move to a retirement village can feel like a big life decision. But at McAuley Village Trentham, we're always happy to lend a helping hand so you feel supported in your lifestyle choice.
