INTRODUCING Lifestyle Riverfield

Welcome to Lifestyle Riverfield, a place that's been thoughtfully refined with the next generation in mind.

Within this considered community, you'll experience a never-ending holiday lifestyle, enriched by first-of-their-kind, multi-million-dollar amenities and energy-saving initiatives that have been re-imagined with purpose.

We've done things differently at Lifestyle Riverfield to respond to the unique needs of the next generation of downsizers, who desire opportunities that are innately energetic, thoughtful and innovative.

If you're a pleasure seeking, young at heart downsizer – this community is made for you.

A re-imagined Clubhouse precinct

At the heart of Lifestyle Riverfield is a multi-million-dollar, first of its kind Clubhouse precinct. This lifestyle-enhancing hub has been meticulously designed to deliver energetic, refreshing and holistic

wellness opportunities for the next generation of downsizers.

Featuring unique circular architecture, with intelligently zoned spaces that strike a perfect balance of peaceful solitude and invigorating connection the circular form of each sanctuary delivers an array of considered benefits – energy efficiency, uninterrupted natural light, a calm and comforting ambience and more opportunities to create meaningful social connections.

XL homes with peace of mind

Our vibrant community features generous blocks and modern, low-maintenance XL homes, perfect for the next generation of downsizers who dream of living a bigger life with plenty of space.

Location sensation

Located in Clyde and surrounded by expansive parklands, nature reserves and a network of existing and proposed amenities and transportation options, Lifestyle Riverfield is positioned for homeowners to enjoy a perfect combination of urban connectivity and suburban tranquillity.

OUR MOST VIBRANT, INNOVATIVE AND
FORWARD-THINKING COMMUNITY YET!
