We have created this premium space with comfort and care in mind, and invite you to join us at Oak Towers.

The premium suites recently opened in Aged Care at Churches of Christ are the first of their kind in the area. We have created a private haven within our community. This newly renovated and updated wing with 22 rooms fosters an individualised approach to care while providing access to community amenities. Oak Towers Aged Care provides a peaceful suburban environment for residents, just 14 kilometres South-East of Melbourne's CBD.

Relax with one of our resident animals, enjoy a social activity, stroll through the courtyard gardens, or hop on a bus to nearby amenities.

We have created Oak Towers* to feel like home, some of the overall features include:

- Beautiful, private courtyard gardens and outdoor sitting areas
- Delicious meals prepared onsite
- Hair salon and resident hairdresser
- Comfortable lounge and dining spaces
- Social activities and group outings
- Onsite cafe
