You'll find our communities throughout Australia, with each location close to essential amenity and services and handpicked for its natural surroundings or urban vibe.

Our land lease communities provide true value for money, without the high entry and exit fees often associated with other retirement living options.

Choose from quality homes, built new or pre-loved, carefully designed to suit your needs and your budget. Our active, amenity rich communities are waiting to welcome you into an exciting new way of living.

# Benefits of land lease

## No stamp duty

There is no stamp duty payable on the purchase of your home, saving you thousands of dollars to spend on the lifestyle you deserve. This can be a real boost to your budget, considering the [Property Council of Australia](#) suggests you can spend up to \$75,000 in stamp duty and other costs downsizing your home.

## Retain capital gains

We believe you should get 100% of your capital gain as a cash profit when you sell your home. In many other retirement living options, your agreement may force you to share your capital gains with the community manager. Living in a Hometown land lease living community means that more money stays in your pocket.

## No council rates

Unlike most 'retirement villages' who charge you council rates, with Hometown land lease living you won't have to pay council fees.

## No exit fees

When you sell your home, you won't pay any exit fees, unlike 'retirement villages' where you can be charged exit fees or 'deferred management fees' accrued over time. This is great for your budget.
