Live life your way

Enjoy the freedom

Be part of a small friendly community where you can say goodbye to maintenance and garden worries. Take advantage of membership of the neighbouring men's shed, or join in the active community at the Uniting Church next door.

Don't feel like cooking - that's ok as you can access meals from the on-site aged care facility. Your home at Carramar offers peace of mind with a worry free environment whether you are at home or away.

An affordable lifestyle

Live comfortably in our affordable low set, fully self-contained, one or two bedroom brick and tile villas with undercover parking access.

At Carramar retirement village, each villa is refurbished to a quality standard ensuring you a wonderful retirement lifestyle. Maintenance, rates and insurance are included in a simple monthly charge and pets are welcome, subject to approval.

For a little extra help at home

Make life that little bit easier by accessing a range of BlueCare home care services, including help with housework, shopping, transport and allied health services.

BlueCare also has a residential aged care home adjoining the village.
