

# Castle Hill Villages

## Mowll Village

Mowll Village is the founding village on our Castle Hill estate. It's conveniently situated in the middle of the Castle Hill site, close to many community facilities including Dover Hall, St James Chapel, Wills Café, the medical clinic plus the bowling and croquet lawn.

Residents here enjoy sharing time together gardening, playing bridge, and taking part in the various computer and art clubs.

Mowll Village has been upgraded and has a variety of beautiful homes including one and two bedroom apartments, as well as spacious three bedroom villas and apartments.

**Call 1300 111 278 to arrange a private tour.**

## Warrina Village

A beautiful feature of Warrina is The Glade – an open parkland space next to Willow Pond. This is a favourite picnic and barbecue spot for residents and their loved ones.

Warrina has two community centres where residents enjoy a variety of activities. Lovely walks through the peaceful village with many spacious walking paths are also a feature.

Conveniently located near Lober Square, Warrina has a choice of apartments, duplex villas, free standing villas and apartments that are modern, spacious and beautifully designed.
