2  2  1 

The Camden is a thoughtfully designed home featuring two bedrooms, the main boasting a walk-in wardrobe and ensuite. The open plan layout encompasses a modern kitchen with a breakfast bar, a bright, airy dining space, and an oversized living room with study nook. A single carport provides secure parking, and the outdoor deck is the ideal place to unwind. Complete with a welcoming front porch, family bathroom, and large laundry with direct access to outside, the Camden is the perfect home.
