Welcome to the bounty of the New South Wales Riverina.

Affectionately known as the nation's 'food bowl', the lively town is celebrated for its wineries, artisan cafes, and acclaimed restaurants, and broad, circular avenues designed by Walter Burley Griffin in 1914. Vibrant produce markets and a packed calendar of festivals offer plenty of opportunities to connect with the community and savour local culinary flavours.

It's also a place cradled by nature, where mornings begin with breathtaking sunrises over Scenic Hill, and afternoons invite peaceful strolls around Lake Wyangan or scenic walks along the trails of Cocoparra National Park.

And when you need to venture further afield, there are daily direct flights between Sydney and Griffith, plus rail services to Melbourne and Canberra.

FAQs

(a.k.a. the things everyone asks)

1. Do I really own my home?

Yes! You own your home outright — you just pay a simple weekly site fee for the land, access to amenities, and maintenance of the community.

2. What's the Site Fee cover?

It's one handy fortnightly direct debit that covers:

- The land lease
- Maintenance of shared areas (gardens, roads, clubhouse)
- Access to pools, gyms, community hall, and other facilities

You just need to budget for your own utilities — water, power, internet — nothing unexpected.

3. Can I get Government Rent Assistance?

If you're eligible, yes! Many residents receive Commonwealth Rent Assistance, which helps offset that site fee. Centrelink or Veterans' Affairs can confirm your eligibility.

4. What legal protections do I get?

You're covered under the Residential Tenancies Act (2010), which means your rights as a land lease resident are well looked after — just like renting.

5. Any sneaky fees?

No:

- No stamp duty
- No entry or exit fees (with a few exceptions at Officer and Kangaroo Flat estates — your New Home Advisor will walk you through those)

6. What about guests and pets?

Absolutely. Guests? Bring them along. Pets? Small furry friends are welcome too — just register them with your Community Manager.

7. How's rubbish, mail, maintenance handled?

Rubbish: Weekly general waste, fortnightly recycling; green waste can be removed by request.

Mail: Dropped into your letterbox by the regular postie.

Home Maintenance: The beauty of our homes is that they have been designed with low maintenance in mind. Residents are responsible for the maintenance of their home and garden. Front lawns are maintained by the community management team.

8. How do I pay for my utilities?

Water: Each home has its own meter, so you're billed for exactly what you use.

Electricity: Supplied through an embedded network, which means bulk-buy savings for all residents.

Internet: High-speed fibre is connected to every home — you just choose your provider from the approved network.

9. Can I customise my home?

Certainly — if you're buying off-the-plan, you can choose colours and upgrades from our approved range (subject to approvals). And once you're in, internal changes are allowed within guidelines — just keep external colour or structural changes consistent to protect community feel.

10. If I sell, do I keep the profit?

All of it. You appoint whichever agent you like, and 100% of any capital gains are yours — no catches.

Still have questions?

No worries — we're always happy to chat. Give us a call, book a visit, or drop by for a cuppa. We'll walk you through it all, no pressure, no jargon — just straight answers from real people.

A friendly face each day

Picture leafy streets where neighbours wave hello and friendships grow over the garden fence.

This is the kind of community where you can be as social, or as quiet as you like, but there's always something going on if you feel like joining in.

It's a community where you truly belong.

Our onsite Community Manager is your own local expert, organiser and storyteller, on hand to help you make the most of your new lifestyle. They already have the best knowledge of nearby hotspots, delicacies and day trips. Inside the community gates, they're arranging social activities to fill up your calendar.
