Entry options

Each prospective resident can choose from our range of flexible options to suit their individual circumstances. For all options, we will arrange full reinstatement and sale of your unit so you receive your exit entitlement (the amount to be repaid to you) less applicable costs, in the quickest time possible. Your exit entitlement will be paid to you within 14 days of the sale of the unit, or 12 months after you vacate. Options B and C do not attract any interest.

Option A

100% of the Original Standard Ingoing Contribution

Pay the standard 100% ingoing contribution amount for the unit (the 'sale price').

If you choose this option, an exit fee of up to 35% is payable if you leave the village. Starting at 10%, the percentage increases by 5% with each year of occupancy up to six years, and then remains capped at 35% thereafter.

Option B

95% of the Original Standard Ingoing Contribution

If you choose to pay a slightly lower ingoing contribution amount, this option may be preferable.

If you choose this option, an exit fee of up to 40% on the Original Standard Ingoing Contribution is payable if you leave the village. Starting at 15%, the percentage increases by 5% with each year of occupancy up to six years, and then remains capped at 40% thereafter.

Option C

90% of the Original Standard Ingoing Contribution

This option gives you more cash and a lower ingoing contribution at the commencement of your residency. You are able to retain 10% of the standard ingoing contribution amount and offset the equivalent amount by paying a higher exit fee when you leave. For example, if the standard ingoing contribution is \$200,000 then you would pay \$180,000 as your ingoing contribution.

If you choose this option, an exit fee of up to 45% on the Original Standard Ingoing Contribution is payable if you leave the village. Starting at 20% the percentage increases by 5% with each year of occupancy up to six years, and then remains capped at 45% thereafter.

Termination fees

A fixed \$1000 administration fee applies upon termination when you vacate the village.

All administration and maintenance of Bribie Island Retirement Village is covered by a fortnightly fee, which is payable for each unit.
