PRE-LOVED HOME FOR SALE

Luxury Living for \$850,000

This well-appointed three-bedroom home offers comfortable, low-maintenance living with practical features throughout. The generous kitchen provides plenty of cupboard space and overlooks the living area, while air conditioning ensures year-round comfort.

All three bedrooms are carpeted and include built-in wardrobes, while durable vinyl flooring runs through the kitchen and living areas for easy care. The home also features two bathrooms, a separate laundry, a secure garage, solar panels with battery and an enclosed deck area - perfect for entertaining.
